Projects & Status

- Held a conference call on June 9th with FQHC team to discuss status of the project, Megan Gosch and Marcus Adams were hired to work on the project this summer. Barlon Lundgren will work with them to complete the physician surveys and GIS maps to be used in the FQHC application. Southside medical has hired Natalie Arford to work on the project for the summer; she will be assisting with the surveys and completing research for the FQHC application. The project team will meet with Barlon once a week and report on their progress every two weeks.
- Met with Historical Task Force on June 11th, to determine who would become the leaders for each specialized task force, African American History Task Force, Clayton Historical Task Force, Civil War Historical Task Force, and Cemetery Historical Task Force.
- The Youth Summit committee will meet in August to determine which committee member will be assigned to a high school. Each committee member will be responsible for working with the students to develop a program in the high schools that would benefit the entire student body.
- A student from Clayton State is working with the public image issue work group. We also have a graduate from UGA’s, Grady School of Journalism who is assisting with the project. We held a meeting on June 11th to discuss researching individuals and organizations to participate on the focus groups.
- The Youth Entrepreneur Program will be held on July 7th and 8th, at the International Beach VIP Complex, this program is in partnership with Clayton Extension 4-H
- Hazel Lewis submitted her design for the greenspace project. There was one revision that needed to be made, Nathan Parrott asked her to design landscaping for the entrance ways for the greenspace paths. Hazel will begin working on the city of Morrow’s path project sometime in July.
- Samantha Spitale and Sean Breinlinger, will be completing various landscape design projects in Clayton for the summer of 2009.
- Paul Thomas and Amanda Franklin met with Cyd Cox to discuss the website project for Clayton Information Technology Department.
Next Steps

Next Steering Committee meeting will be held in September 2009.
