Washington Health
Monthly Key Accomplishments – November 2012

Washington County:

– Assisted in hosting the University of Georgia Carl Vinson Institute of Government (UGA CVIOG) Shanghai delegation in Washington County which provided an in-depth look at rural Georgia and discussed economic development, youth development, public health and healthcare.
– Assisted GRMSP Board of Directors in planning meetings for the 2013 Lock, Stock and Barrel program fundraiser.
– Participated in Washington County Regional Medical Center (WCRMC) Community Health Needs Assessment focus groups.

Statewide Activity:

– Attended the Habersham County Executive Committee Retreat.
– Facilitated Grady County Archway’s Community Health Issue Work Group to establish their work plan.
– Participated in the Clayton County Archway Public Health Professional orientation day in Athens.
– Participated in an initiative to establish a public health internship in Costa Rica.
