Education/Social Issues:
Teen Maze: Held on Monday, March 17th at the Boys and Girls Club. Approximately 220 students participated in this year’s Teen Maze and learned about consequences related to Drinking and Driving and Sexual Behavior. Approximately 60 volunteers from 25 different community businesses and organizations participated in the day events.

Economic/Community Development:
Washington County Youth Leadership Program: The Healthcare session was held on February 20th at WCRMC. Students heard from WCRMC personnel, toured the hospital, and then learned about Public Health from Raven Smith with the Washington County Health Department. The Personal Finance and Investing session was conducted by Washington County 4-H Agent Cindy Sheram. Cindy utilized activities and curriculum from UGA 4-H’s “Your Money, Your Future” classes. The Community Service Project session was held March 4th at Oconee Fall Line Technical College. Representatives from the UGA J.W. Fanning Institute for Leadership Development worked with class participants on developing ideas for community service projects in Washington County. The Communication and Etiquette Session will be held on March 25th. Veterans Park Design: CED Graduate students Craig Biesecker and Abi Phillips met with City of Sandersville Public Works Director Robert Eubanks and visited the property to begin design work.
