**Ongoing Efforts**

**Drug Prevention & Treatment Work Group**

On May 12, Habersham Archway Professional Rick Story met with Archway Partnership Operation Coordinators Dr. Sue Chapman and Sharon Liggett, and Dr. Merrill Norton from UGA’s College of Pharmacy to determine the next steps for the Drug Prevention and Treatment Work Group. The discussion included a recap of the last work group meeting, held on April 17, as well as work group expansion, treatment information relevant to local initiatives and the possibility of establishing a local treatment facility.

**Recycling Work Group**

Habersham Commissioner Natalie Crawford the Habersham Archway Professional Rick Story and the Hart Archway Professional Ilka McConnell on May 14. Meeting discussion included that of planning, as well as defining work group goals and initiatives. A follow-up meeting is planned with County Manager Phil Sutton and the work group.

**Workforce Development Work Group** – Habersham Archway’s Workforce Development Work Group held its first meeting on May 18th. The newly formed work group will be tasked with exploring options related to both creating and implementing a curriculum for workforce development in Habersham County.

**Economic Development Council (EDC) Project Work Group** – Habersham Archway’s Economic Development Council (EDC) Work Group held its fourth meeting on Wednesday, May 13. The meeting was facilitated by Jennifer Nelson and Gordon Maner from the UGA Carl Vinson Institute of Government. Meeting discussion included a continued dialogue regarding the proposed EDC’s structure, the timeframe for establishment as well as other issues.
