Accomplishments

Linton Park designs and promotion
A master plan for the park, playgrounds, and walking trails at the Sandersville Elementary School and Linton Park area was completed by a CED student working under the guidance of local resident and professional landscape architect, Mary Charles Howard. A public relations/advertising campaign to promote the park’s amenities is currently being developed by Brittney Cain and Rosanna Cruz, Archway graduate assistants from the Grady College of Journalism and Mass Communication.

Ongoing Efforts

Highway 15
Highway 15 Coalition will meet on Oct. 14 to finalize the branding guidelines, discuss plans for the Highway 15 website, and hear a report on the “Highway 15 Magazine.”

GeorgiaLEADS work group
The GeorgiaLEADS work group continues to meet. A focus group was conducted at a local church on Sept. 23 to gather input on leadership development needs.

Sandersville traffic flow
UGA College of Engineering students will visit downtown Sandersville on Oct. 23 to begin their work on traffic flow issues in the downtown area.
