Accomplishments

Highway 15 Coalition

Washington Youth Leadership
Washington Youth Leadership program began on Oct. 20 with 24 students participating, using the newly redesigned format.

Ongoing Efforts

GeorgiaLEADS work group
The GeorgiaLEADS work group distributed a survey to gather citizen input on community needs. Fanning Institute faculty will use this input to create a leadership work plan.

Sandersville traffic flow
UGA College of Engineering students visited downtown Sandersville on Oct. 23 to begin their work on traffic flow issues in the downtown area. Students met with Sandersville Public Works Director and the Washington County Administrator. Project will be completed in Spring Semester.

Linton Park PR/Advertising Campaign
A public relations/advertising campaign to promote the Linton Park amenities is currently being developed by two graduate students from the Grady College of Journalism and Mass Communication. The campaign will include a suggested logo, print materials and social media. Project will be completed by December.
