

2022 IN REVIEW

Student Involvement:

Faculty Involvement:

Projects Completed:

CERTIFIED GOLD

Hart County earned their silver and gold designations as part of the Connected Resilient Communities program. These designations mark the completion of two projects: the Hart County Ag Expo and marketing the Hart Education Foundation.

ROI: \$573,043

PROJECT SPOTLIGHTS

PRIORITY AREAS

1. Workforce Development and Education
2. Preparing for Growth
3. Quality of Life
4. Tourism

DOWNTOWN STREETSCAPE

Downtown Hartwell needed a solution for larger cars parking downtown. Prior to this project, cars would stick out into the roadway causing bottlenecks and accidents. The students created a design for the sidewalks and parking downtown that more attractively accommodated larger vehicles.

“Most of the people in Georgia have never been to Athens. They know about the University of Georgia because they see it in their communities.”

*– Jere Morehead
President of the
University of Georgia*

“We continue to benefit from having access to the vast resources of the University system.”

*– Bill Leard
Executive Committee Chair*

MILLTOWN CAMPGROUNDS

The Milltown Campground in Hart County offers individuals and families a primitive camping opportunity next to beautiful Lake Hartwell. The UGA College of Engineering partnered with the campground by making plans to enlarge the campground and add amenities to increase tourism to the area.
