GriffinNow

The GriffinNow steering committee was created to oversee implementation of the community wide strategic plan. The group meets quarterly and is comprised of 2 representatives of each committee - housing, economic development, achieving prosperity, public safety and education.

Faculty Involvement:

Projects Completed:

ROI: \$277,130

PROJECT SPOTLIGHTS

PRIORITY AREAS

1. Intergovernmental Collaboration and Communication
2. Support of Community School Development
3. Mental Health and Wellness

“Most of the people in Georgia have never been to Athens. They know about the University of Georgia because they see it in their communities.”

*– Jere Morehead
President of the
University of Georgia*

COLLEGE OF ENGINEERING

The UGA College of Engineering is a crucial partner for Griffin and Spalding County. This year, engineering students worked to create a park plan for Yamacraw Road Park, conduct a walkability study for Spalding High and design an airport terminal.

“I don’t think any of this would have happened without Archway.”

*– Chuck Copeland
Executive Committee
Co-Chair*

MENTAL HEALTH SUMMIT

In Summer 2022, Archway hosted a Mental Health Summit for Griffin+Spalding. The summit was facilitated by Archway faculty and representatives from the J.W. Fanning Institute for Leadership Development. This summit helped to prioritize needs for the support of mental health in the community.

For more information on Archway Partnership in Spalding County, contact our Archway Professional.
